

Sustainability Strategy

Sustainability is a core principle at 3months and we pride ourselves on adhering to our Sustainability Policy and to providing our services in a manner that respects the environment, our staff and customers and the wider community.

Sustainability for the 3Months not only involves scrutinising all of our own activities but also working in partnership with our customers and suppliers towards the following aims;

1. To demonstrate continued improvement against key performance indicators (KPI's) in the following areas;

Environmental

- Energy
- Transport
- Waste
- Procurement

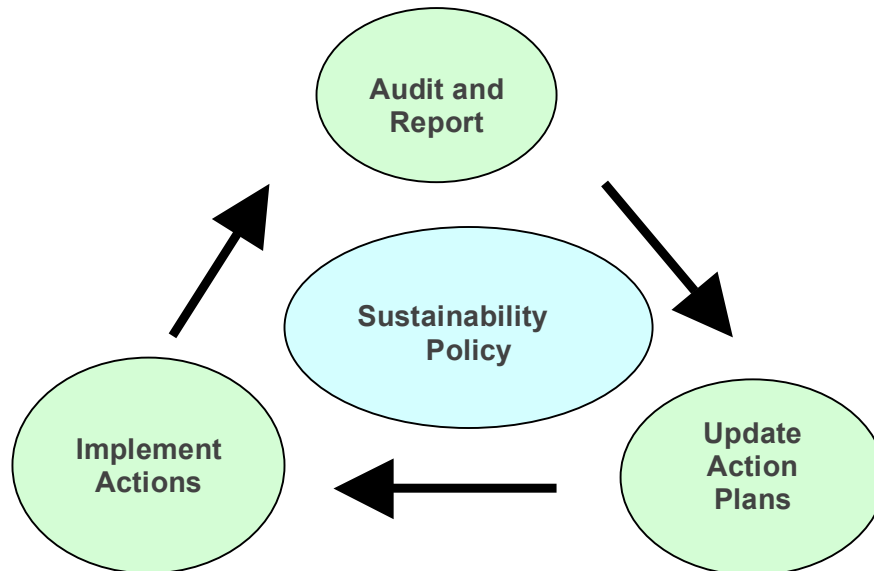

Social and Economic

- Staff and customer satisfaction
- Community Involvement

2. To communicate an understanding of the relevance and importance of sustainability to all staff, suppliers and customers.

Our Strategy Process

Our strategy focuses on a cyclical process of reporting, updating our plans and implementing our actions.

Delivering on promises
